

# Manage your specialty condition online

## Optum Specialty Pharmacy

Optum® Specialty Pharmacy is a pharmacy for your specialty medication needs. Specialty medications are used to treat complex, long-term conditions such as cancer, rheumatoid arthritis or multiple sclerosis (MS). We offer extra support to help you manage your care, such as:

- 24/7 access to pharmacists
- Consultations with expert clinicians trained in your condition
- Free shipping and timely delivery
- Clinical and adherence programs
- Medication supplies at no extra cost

## Manage your care any time

Visit [specialty.optumrx.com](https://specialty.optumrx.com) or download our mobile app<sup>1</sup> to:

- Request refills and schedule delivery dates
- Track order status
- Make payments and manage credit card information
- View and update account information
- Receive 1 on 1 support with a care team member or pharmacist through secure video or live chat

Select "Register" under the Patient menu to activate your account on [specialty.optumrx.com](https://specialty.optumrx.com) or with the app. Have your personal details and your Optum Specialty Pharmacy prescription number available.

---

Call **1-855-427-4682** for help or more information.
